

Our Easter Egg Hunt!

HAPPY
EASTER

This is Emma and Max.

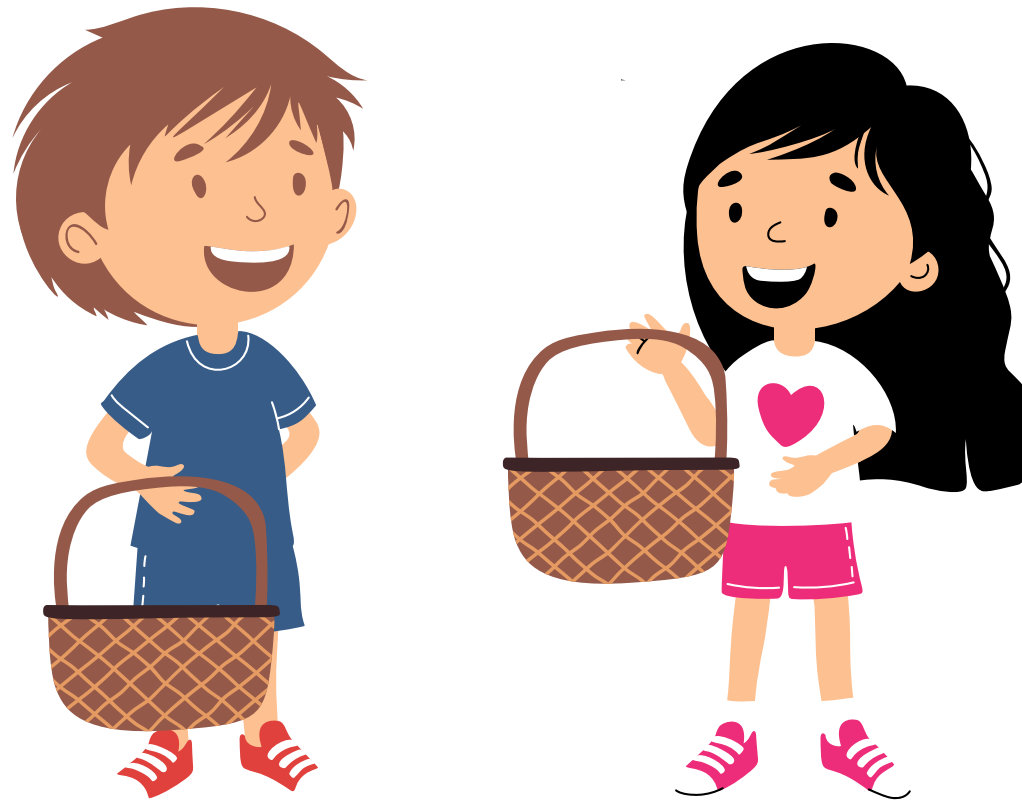

They are getting ready for an Easter Egg Hunt.

They will use a basket to put their eggs in.

**There will be eggs hidden in the grass,
bushes, or behind trees.**

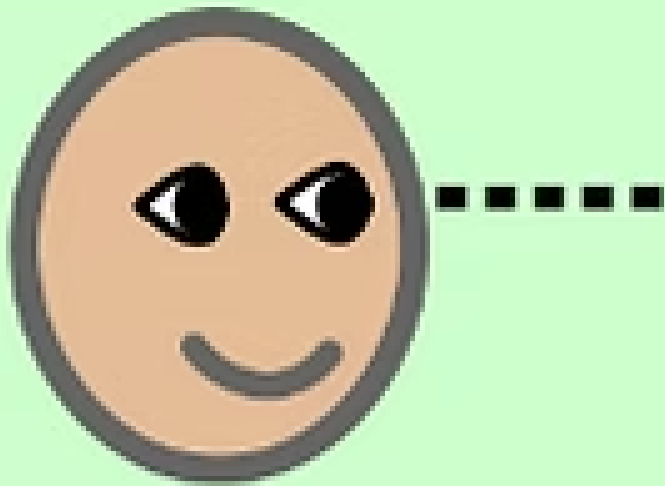

**Emma and Max bring their baskets.
They wear comfy clothes and shoes for walking.**

Before the hunt starts, a grown-up will explain the rules. Emma and Max listen carefully.

look

Emma and Max will look for eggs in the grass.

**Max sees a blue egg.
He picks it up and puts it in his basket.**

**Emma and Max take turns and share the space with others.
It's okay if they don't find the same number of eggs.**

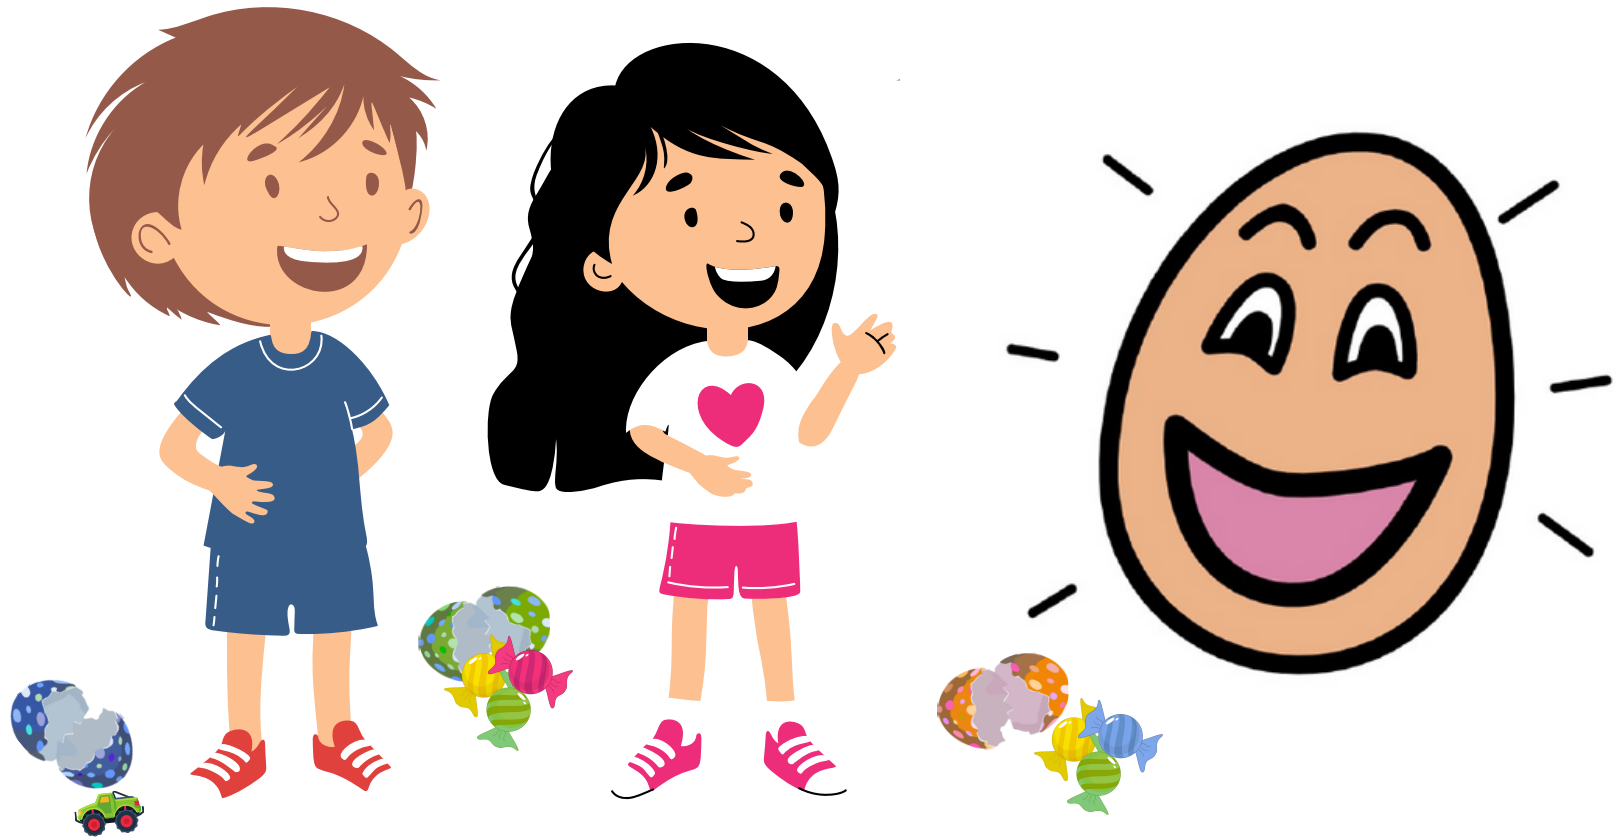

**When the hunt is over, the grown-up says, “All done!”
Emma and Max stop and sit to open their eggs.**

They open their eggs and find candy or small surprises inside! This makes them happy.

The End

**The Easter Egg Hunt is all done.
Emma and Max are proud and happy.**
